I would like to be an artist for Chalk the Walk. Please pair me up with a business or organization that needs an artist for this event. Once assigned, I will contact that sponsor and work with them to develop an idea for the chalk drawing.

I am aware that for this event all the artist's time and effort is donated. I understand that this is a family friendly event, and the work that I create needs to reflect that atmosphere, and that if my drawing is deemed inappropriate by event host I may be asked to change it or risk having it removed.
